SENOR

SENOR v5POS Series
## Touch POS Terminal

Senor v5POS series feature a brand new concept with an **ultra-narrow bezel-less screen** and **sleek exterior design**, with interchangeable frame and casing to match the retailer's style.

v5POS is an **energy-efficient solution** with low power consumption on a high-performing platform. The CPU consumes less power, generates less heat and helps to keep our environment green.
With its **elegant design**, v5POS is ideally suited for the retail and hospitality industries' flagship and pop-up stores.
